SYRAH TOSCANA IGT

falstaff

2021

94/100

OTHMAR KIEM, SIMON STAFFLER

Deep, dark, impenetrable purple red colour. Spicy and complex on the nose, with notes of red pepper, juicy plum, thyme, mocha and cocoa. Silky on the palate, rich fruit in a chocolate coating, elegant, yet with plenty of tension and a very long finish.

SYRAH TOSCANA IGT

2021

93/100

MONICA LARNER

Pouring forth with black fruit richness, the 2021 Syrah is the latest addition to the growing Castello Romitorio portfolio. With only 2,900 bottles created, this oak-aged Syrah offers rich aromas of blackberry marmalade, bacon fat and exotic spice. The mouthfeel is medium-plus in terms of intensity, and the wine glides smoothly over the palate thanks to its sweet tannins. Drink this wine while the primary fruit is still fresh. I'm curious to know where vintner Filippo Chia takes this wine going forward.
